All devices are build to order by special made parts and are unique, so we can not grant a sale or return. We charge a prepayment of 50% when ordering. Therefore we give an early payment discount of 4% to the list price. When ordering more devices, we are able to give discounts. Please ask for actual delivery times.

Please see [www.trautoniks.com](http://www.trautoniks.com) for technical details.
